**Re: United States v. Paul Ceglia,  
12 Cr. 876 (VSB)**

Dear Judge Broderick:

The Government writes to advise the Court regarding the Government's efforts to locate Paul Ceglia, the above-captioned defendant ("Ceglia"). As was the case when the Government last updated the Court on February 24, 2018, Ceglia remains a fugitive. The Government, in particular the United States Marshals Service, continues to diligently investigate Ceglia's whereabouts as well as those who may be assisting him in flight, using a variety of law enforcement tools.

The Government will update the Court again regarding the efforts to locate Ceglia in four months, by October, 2018, unless there are significant developments warranting an earlier notification.

Respectfully submitted,

GEOFFREY S. BERMAN  
United States Attorney
